Performance of the Institution Inclusion: Inclusion is a multidimensional Process to enhance Human capabilities, equal opportunities for social, political, economic participation, encouraging social interactions, strengthening the social ties, solidarity, cohesion, integration and opening up the access to participate in all spheres of life. The VISION of our institute is, " We look for the youth with a fresh attitude to life, the ability to convert knowledge in to wealth, professional excellence, scientific temperament and communicative competence and MISSION..Our effort is to equip the rural youth with quality education, environment friendly attitude, technological awareness and social commitment so as to make them take on the challenges of the fast changing world. The Moto of our Mother institution is 'Bhaujan Hitay, Bhajun Sukhay' i. e. Welfare and happiness of the masses. As an educational Institution we have staff and students from diverse background with different orientations and capabilities. We have a demographic diversity as the students are hailing from different socio-economic background, come from diverse regions having own language preferences. Especially a large number of students from rural areas and belongs to agricultural family background in our college. The number girls taking education is more as compare to boy's. With respect to this 'uniqueness', we are trying to inculcate the value of togetherness' among all the members of this institution by giving space to each and every stakeholder to participate, explore, enhance and attain their full potential, ultimately making society more equitable place. To achieve Vision as set by our Institution, every member is participating in own capacity like: 1) Admission and Active counselling cell for all the stake holders 2) Computer Lab for students with different background for sharpening computer skills 3) Mentor for the Students 4) Art Circle for celebrating culture. 5) Special efforts are taken by the faculty members to make the class room more vibrant by promoting and encouraging dialogue and participation amongst the students. 6) Informal support group for the differently able students. 7) Feedback system allows the students to freely share their individual views about the teaching techniques, classroom and office environment to improve the learning practices. 8) Management of the institution promotes environment for the self and professional development amongst the faculty. 10) Guidance for competitive examination 11) Value Education (Yuva Saptah, Human Rights Day, Awareness Campaign, Community engagements and college publication) 12) Skill Development Programs for the students. 13) Alumni Association for suggestion and development 14) College Development committee with Institution Development Views. 15) Because College Boat club facility students gets opportunity for recruitment in Defense and Police 16) In Flood situation in the village and surrounding college students take initiative to save peoples and help. As a social commitment college girls sends Rakhi in Raksha Bandhan Festival to the Soldier There are unending efforts by the management and the staff of the institution to promote inclusiveness not only among the students but as well among all the stakeholders.
